Suddenly, a puppy comes out of the bush.

The puppy wags its tail.

The ball is in its mouth.

Everyone laughs.

They play again.

The puppy joins them.

## Practice Time

Why did the puppy take the ball? Talk about it.

⇦ I want to play.

⇦ I like the ball.

⇦ It is my toy.

⇦ It is fun.

⇦ I want friends.

⇦ I am hungry.

Let children talk in pairs about why the puppy took the ball.
Allow them to be creative and write a sentence in the bubble.
They can choose one from the list too.
