Turtle reached for the glass of juice.

Spiky: Wait! Your hands are still dirty.

Turtle: Yes. They are dirty again, as I crawled across the dirty floor. I'll be right back.

The turtle went back to the pond to wash his hands. The turtle used slippers to keep his hands and feet clean.

Now, Turtle got back to find all the plates empty.

Spiky: I could not wait. The food was getting very cold. Poor Turtle was still hungry.

The next day…

Turtle: Spiky, come for dinner.

Spiky: Oh! That will be nice.

He reached the pond.

Turtle: I'm here, Spiky. Come down. Your dinner is almost ready.
