1.1 Introduction to 3 dimensional (3D) shapes

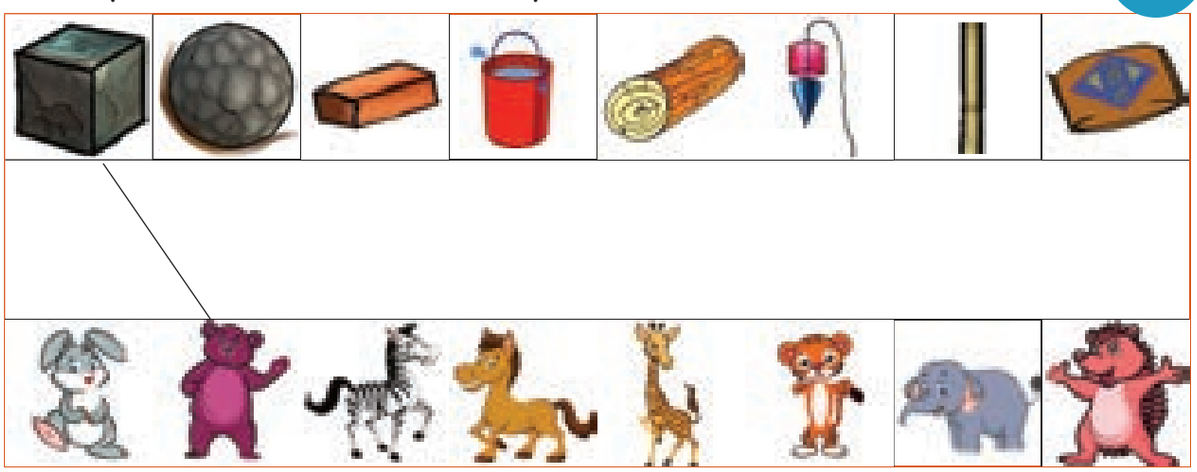

Travel Through King's Palace

Animals build a palace for the lion, their king. Each of them brought an object for the palace. Observe the objects brought by them.

Keywords
Cube
Cuboid
Cylinder
Cone
Sphere

Match the items brought by the animals as seen in the above picture. One is done for you.

Teacher's Note:

Teacher can narrate the above story of the King's Palace for enhancing the mathematical vocabulary such as cube, cuboid, cylinder, cone and sphere.
