Activity

Find the number name

- Take some tamarind seeds and cards with number name from one to twenty.
- Teacher shall call two children and whisper a number into the ear of the first child.
- He / she will pick the tamarind seeds according to the count said by the teacher and pass it on to his partner (without revealing the number).
- The partner will count the seeds and pick the number name card for that number. Teacher will check if the said number name and the whispered number are the same.
- The teacher will continue the game until every child of the class is familiar with number names upto twenty.
