www.tntextbooks.in

Look at this picture. This hill looks as if steps have been made on it. Crops are grown in the step farms, also called as terrace farms. Tea and coffee are grown on some hills.

DO YOU KNOW?

- Udhagamandalam (Ooty) is called the 'Queen' and Kodaikanal is called the 'Princess' of the hill stations in Tamil Nadu.
- Our state animal, the Nilgiri Tahr, is found in the Nilgiri mountains.

Fill in the columns with the given words.

(cool, tea, flat, step farms, warm, sugarcane, hill station, coffee, crops)

Plain	Hill
