Role of the Sense Organs

Observe and Discuss

What are the sense organs that you use to identify the objects given below?

Our senses work together to tell us about the world we live in. We most often use more than one of our senses at the same time.

Descriptions relating to Popcorn

 Smell	 Sight	 Touch	 Hearing	 Taste
Nice smell when roasted	Yellow, Small, Fluffy	Smooth, Hard, Soft	Pop pop pop, Crunch	Salty, Spicy

The flavour of food is actually a combination of its taste, smell as well as its texture.
