Animals Give Us...

We get meat, milk and eggs from animals.

We get crab, prawns and a wide variety of fishes from water bodies like ponds, lakes, rivers and the sea.

Crab

Prawns

Fishes

We get honey from the honey bee.

Milk Products

We get curd, butter, ghee, paneer and cheese from milk. Having milk or milk products every day keeps us healthy.

Milk

Curd

Butter

Ghee

Paneer
