Our Responsibility

Some places and things like public toilets, roads, street taps, parks, hospitals, schools and classrooms are used by all of us. It is our responsibility to keep them neat and clean.

Do not spit in public places.

Do not scribble on walls.

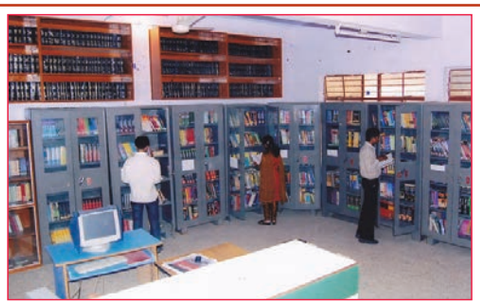

Do not throw waste in public places.

Form a queue.

Use the public toilet. Do not use the road/open spaces.

Maintain silence in the public library. Do not tear or scribble in the books.

Think and Discuss

Why do we need to use a toilet?
