Activity

Making tunes with vessels

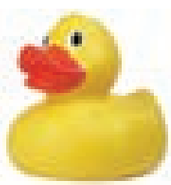

Procedure:

- Divide the students into two groups.
- The first group shall have plates and spoons.
- The second group shall have lunch boxes and spoons.
- If the teacher says 1 and 3, the first group should tap the plates with the spoons one time and the second group should tap the lunch boxes with the spoons 3 times.
- Continue to do it in the similar way till the teacher says the next pair of number.

Try This

My own tune

Create your own patterns in sound using materials available in your locality such as toys, sticks, etc.,

Pleasure Time

Let us create our own musical instrument by following the given steps.

Step 1

Take a tin, a balloon, a rubber band 2 sticks, and a pair of scissors.

Step 2

Cut the balloon as shown in the figure.

Step 3

Fix the balloon on the tin.

Step 4

Create a sound pattern of your own and share it with your friends.
