Learn

Possible ways of pairing

Let us learn the number of ways of dressing oneself with two shirts and two shorts.

Way 1

Way 2

Way 3

Way 4

There are four ways to wear the dress.

Teacher's Note:

Teacher can use things like pen and cap, bottle and lid,etc., available in the classroom to show different ways of pairing.

Practice

Find all possible ways of arranging a pair of cups among the four cups.

Way 1

Way 2

One way is shown. Find all the other possible ways.
