1.2 Ordinal and cardinal numbers

Travel Through Ordinal and cardinal numbers

Maya had some grains to feed the birds. She threw the grains on the ground. Some birds and animals came there one by one and had their food. The order they had the food is given below.

1

Crawing crow came first.

2

Pretty parrot came second.

3

Majestic dove came third.

4

Sweet myna came fourth.

5

Cute squirrel came fifth.

6

Naughty monkey came sixth and finished all the grains.
