Domestic Animals

Some domestic animals give us food items like milk, eggs, meat and honey; some give us wool and leather.

"Hello Chicku! I am a goat. My young one is a kid. My home is a shed.

People rear us for our milk and meat. They take us to graze".

"Hello Chicku! I am a sheep.
My home is a shed.
My young one is a lamb.
I give wool. People use wool to make sweaters, gloves and shawls. It keeps them warm".

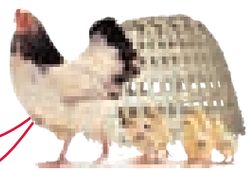

"Hello Chicku! We are honey bees.

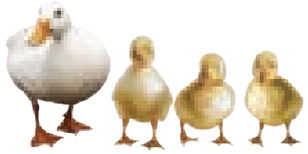

Our home is a beehive.

We live together in large numbers. We make honey from flowers".

"Hello Chicku, I am a hen.
My home is called a coop. My young one is a chick. We are reared for our eggs and meat. Turkeys and ducks are also reared for their eggs and meat".

Chicku said, "I feel happy to have met all of you. Thank you and goodbye". She then flew away.
